

# SURF ON THE SAFE SIDE

[www.cyberaware.org.za](http://www.cyberaware.org.za)

## My very own personal Internet-safety pledge

1. I promise to never give out my personal information over the Internet unless my parents say I can.
2. I promise to remember that people can pretend to be someone they are not over the Internet.
3. I promise to tell my parents if someone I don't know tries to contact me over the Internet or asks me to tell them personal information.
